Presented by Socorro Truchan, President, CFLA.

– Tuesday, October 22, 2024

FOLLOW UP QUESTIONS:

1. *Aiming for urgencies*: What would you say are the *primary anxieties* that you encounter in parents who are hoping to pass on their own faith to their children?
2. What are the top two or three practical take-aways from this webinar to help you teach others the Church's *hopeful and doable* view of human flourishing in family life?
3. One theme you may have heard during this webinar is that improving the effectiveness of family formation efforts has much to do with focusing on a more *personal spiritual approach* to individuals. What are one or two ways you can see pursuing this call in your own life and helping others in this area in your current circumstances?
