Presented by Richard Budd, Diocese of Lansing, MI. – Tuesday, October 8, 2024

FOLLOW UP QUESTIONS:

1. *Aiming for urgencies:* What would you say are the *primary reasons for a lack of engagement* of dioceses and parishes in a more personal pastoral approach to marriage preparation?
2. What are the top two or three practical take-aways from this webinar to help you become more aware of the *best practices* in aiming for a stronger formative experience for those seeking to live a healthy and strong married life?
3. One theme you may have heard during this webinar is that improving how we approach this Sacrament has much to do with our *own personal choices in living as gentle, humble, consistent witnesses within the life of a parish or a home*. What are one or two ways you can see pursuing this more fully in your own life?
