*Presented by Dr. Joseph White, Associate Publisher, Catechetical Resources,
Our Sunday Visitor Publishing. – Tuesday, November 19, 2024*

FOLLOW UP QUESTIONS:

1. *Aiming for urgencies*: What would you say are the *primary reasons for a lack of personal sense of the Story* in so many Catholics' faith lives?
2. What are the top two or three practical take-aways from this webinar to help you become more aware of the *best practices* in aiming for a more deliberate narrative approach to sharing the faith with others?
3. One theme you may have heard during this webinar is that improving how we approach formation of others has much to do with our *own personal awareness of living within the Story of Salvation, as a daily act of trust and hope*. What are one or two ways you can see pursuing this more fully in your own life?
