### FOLLOW UP QUESTIONS:

1. *Aiming for urgencies*: What would you say are the *primary reasons for a lack of engagement* of young people in their movement toward Confirmation that you have experienced in your own circumstances?
2. What are the top two or three practical take-aways from this webinar to help you become more aware of the *best practices* in aiming for a stronger formative approach to Confirmation preparation?
3. One theme you may have heard during this webinar is that improving how we approach this Sacrament has much to do with our *own personal choices in living as gentle, humble, consistent witnesses within the life of a parish or a home*. What are one or two ways you can see pursuing this more fully in your own life?
