Presented by Alessandra Pompili
– Tuesday, February 11, 2025

FOLLOW UP QUESTIONS:

1. *Aiming for urgencies*: What would you say are the top *two or three reasons* in your circumstances that people struggle to find joy in sacred music?
2. What are the top *two or three practical take-aways* from this webinar to being more deeply enriched by the Church's beautiful, diverse, and ancient tradition of sacred music?
3. One theme you may have heard during this webinar is that improving our sense of sacred space and sacred sound has much to do with our own personal depth of understanding of the *spiritual peace* our Father invites us to experience. What are one or two ways you can see pursuing this in your own life and helping others in this area in your current circumstances?
