FOLLOW UP QUESTIONS:

1. *Aiming for urgencies*: What would you say are the top *two or three reasons* in your circumstances that people struggle to find depth and solace in their prayer life?
2. What are the top *two or three practical take-aways* from this webinar to being more deeply enriched by the Church's beautiful, ancient understandings of the soul at prayer?
3. One theme you may have heard during this webinar is that improving our approach to prayer has much to do with our own personal depth of *trust* in God's fathering in our lives, and the *spiritual peace* our Father invites us to experience. What are one or two ways you can see pursuing this in your own life and helping others in this area in your current circumstances?
