Forming Faith at Home (FFH) Track

In this time of unprecedented challenge, this brief and very doable set of workshops can help parents who won't be able to send their children back to parish-based or school programs in the normal way. It is intended to help parents attune to a more home-focused formation during the coming months at least, if not longer. There is also a couple of workshops for parish leaders trying to find creative ways to help families during this time.

Workshops to Help for Parents Seeking to Grow Faith in the Home:

1. Fostering Holiness in Children
2. Family: Domestic Church & School of Holiness
3. The Sacramental Economy
4. Being Guided & Guiding Souls

Workshops to Help for Parents Working with Specific Ages:

1. Faith & Moral Development: Ages 3-6
2. Faith & Moral Development: Ages 6-12
3. Faith & Moral Development: Ages 12-18
4. Teaching Your Children About God's Plan for Sexuality
