Ministry of Parenting Track (MP)

The Catechetical Institute views parenting as the critical catechetical role in the Church. Our desire is to help families in our challenging modern culture see God's plan for the domestic church and the school of holiness is created as the decisive element in bringing about a culture of life. The workshops in this track are not intended to result in any certification but instead aim at a far more fundamental end: forming adults who know how to live a missionary life in marriage and judge nothing in life as great as the work of parenting toward sainthood and striving for spousal sanctity. To foster this, a great variety of pragmatic and imaginative workshops are offered by the Catechetical Institute as electives in every track and collected together in this track.

This track's content is funded with a generous grant by Our Sunday Visitor Institute.

Forming those who form others.

*These commandments
that I give you today are to be on your
hearts. Impress them on your children.
Talk about them when you sit at home
and when you walk along the road,
when you lie down and
when you get up.*
